INTERGOVERNMENTAL RELATIONS
OFFICE OF DIRECTOR

March 12, 1984

B217

TO : John Gilbert, Mayor's Representative on The
Board of Estimate

FROM: Peter Seitchik, First Deputy Commissioner

Attached is Jackie's letter to Nat with the longer range population projections which were done in order to determine the need for the South Bronx site. As you will see, we expect significant capacity deficits in the 1990's. Consequently, we need to retain any potential borough jail sites.
